Explanation of Buyer Disposition Choices

After purchasing a lot, you will receive a buyer disposition card and will need to decide how you wish to proceed. There are three choices:

- ☐ I will floor the animal and donate the floor price of \$ XXX to the Smith County Youth Expo Scholarship Fund.
- ☐ I will pay the entire bid amount.
- ☐ I will floor the animal and would like a credit to my bid amount for the floor price of \$XXX.

Below is an example of how each of these choices would effect your invoice and the amount the exhibitor receives.

Option A: Floor the animal to the Scholarship.

You bid \$5000 and will be invoiced for \$5000. The floor price will be deducted from the student's earnings, so they will receive \$4150 and \$850 will be donated to the scholarship fund.

Option B: Pay the entire bid amount.

You bid \$5000 and will be invoiced for \$5000. The student will be credited the full \$5000 for their project.

Option C: Floor the animal and receive credit to bid amount.

You bid \$5000 and will be invoiced for \$4150 (\$5,000 less the floor price of \$850). The floor price will be deducted from the student's earnings, so they will receive \$4150 for their project.
